**Internship in Healthcare Administration (3-6 semester hours) \*:**

The amount of internship needed (either 3 or 6 hours) will be decided upon by the student and their advisor based upon prior work history and the needs of the student.

\*Upon request, individuals who have extensive experience within the healthcare sector and can demonstrate director or executive level experience can request to replace the internship requirement altogether with additional coursework. The program director must approve all such requests.

**Additional Electives:  
Must be approved by advisor.**
