

## ***Employee Ride Share Program Agreement***

In an effort to save gas and money, and reduce my carbon foot print I, the undersigned, agree to voluntarily commit one semester or more to the Ride Share Program with at least one other campus constituent, and to carpool three (3) or more work days per week beginning \_\_\_\_\_ (date).

As part of this voluntary program it is understood that USF will designate specified parking spaces close to campus buildings for employees who participate in the Ride Share Program, and that a special parking tag will be issued to participants for this purpose. However, when driving to campus solely, I agree **not** to use the designated parking spaces.

I also agree that if, at a later date, I opt out of the Ride Share Program I will return the parking tag distributed to participants and will no longer use the designated parking spaces. (Tags distributed by and returned to Security.)

It is further understood that no personal information shared in this or other documents related to the Ride Share Program will be posted publically, and that all information will be kept confidential. Only name and phone number will be given to connect participants.
