*Chemistry and A&P I are requirements for beginning the nursing clinical sequence. Chemistry may be met with high school (2 sem) or college credit with letter grade(s) of “C” or above. College A&P I must be completed with a “C” or above.

San Damiano General Education (GE) courses are offered within distributions and are approved by the university's Curriculum Council. Please see your Academic advisor for additional information.

Please note:
This schedule is subject to change based on course offerings and curriculum developments that may occur throughout the 2018-2019 academic year.

Courses taken at other academic institutions will be reviewed by the Registrar’s Office for transfer.
