2. Facility rental is \$250 per hour (for no more than four hours), and \$15 per hour for an Event Attendant, for a total of \$_____, payable to University of Saint Francis and due with a signed copy of the agreement. 4. The photography session is limited to pre-arranged hours, and will be monitored by university personnel for the duration of time allocated.

6. The building and its contents must remain as is; no furniture is to be moved.
7. If children are to be photographed, their parents must accompany them at all times.
8. Licensee hereby releases and agrees to defend, indemnify and hold harmless the University for any and all damages sustained to the facility or grounds as a result of actions or negligence on the part of the Licensee, any attendee, participant, guest, and/or spectator at the event whether or not specifically invited by the Licensee; any injury to the Licensee, any attendee, participants, guests and/or spectators at the event whether or not specifically invited by the Licensee; or any loss of property by the Licensee, any attendee, participant, guest and/or spectator at the event whether invited or not specifically invited by the Licensee; and from and against all claims, actions, damages of life, personal injury and/or damage to property occasioned by any act or omission of Licensee, his/her/its agents, contractors, employees, invitees, or licensees on the University's property.
