

Dear USF Student,

We hope you are well and staying safe as we finish the 2019-2020 academic year. Due to the disruption caused by COVID-19, the federal government is issuing financial relief to universities to share with students through the Coronavirus Aid, Relief and Economic Security Act (CARES Act). The University of Saint Francis is a recipient of these funds.

Concern for your needs as students and the financial impact you have felt due to COVID-19 is at the top of decision-making process in distributing these funds. USF has given priority to strategies that impact the greatest number of students.

You will receive these funds via direct deposit if you have requested that service. If you sign up for direct deposit by noon April 30, the funds will be distributed electronically. Otherwise, a check will be mailed to you. As you receive your funds, keep in mind they should be used for expenses incurred or a disruption of your studies due to COVID-19. Please note that these funds are currently considered taxable income.

God's blessings on you for a safe, healthy summer and we look forward to seeing you again in person soon.

Sincerely,

Your University of Saint Francis Family
