

# MEET YOUR ORIENTATION WELCOME LEADERS

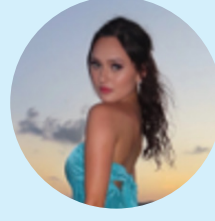

Hi! My name is **Alexia Ramirez**. I am a sophomore majoring in Nursing.

My favorite thing at SF has been the friendships I have made. I have truly made lasting friends! A fun fact about me is I love eating hospital food. My parents are from Mexico City, and I have a younger sister.

My name is **Andrea Ballines**. I am a dedicated junior majoring in Nursing.

I have a passion for caring for others and making a difference in the healthcare field. My favorite part about the university is the strong sense of community and making new friendships. I credit my loved ones for inspiring my commitment and resilience. I am first generation in my family. A fun fact is that I love to go to solo concerts and have front row view.

My name is **Annamarie Williamson**. I am a junior in Nursing.

My favorite thing about Saint Francis is the community. I am coming all the way from the snow and ice in Anchorage, Alaska. I love to spend all my time outside and always have a fun pair of socks on.

Hi! My name is **Audrie Bowman**, and I am a junior at the University of Saint Francis. I'm a Biology Pre-Dental and Psychology major.

My favorite things about SF is the Achatz building—everything from study spots to the professors to the community. It truly feels like my safe place. I'm super close to my family, which includes my parents, my two older siblings, and all my cousins, whom I love deeply.

My name is **Brenden Harrigan**. I am a junior in Theology.

My favorite thing about Saint Francis would be the community and wonderful friendships that I have made. I am a triplet, having my two other brothers attending SF with me. I love singing and listening to music.

Hey! I'm **Briley Coffman**, a sophomore at Saint Francis majoring in Medical Imaging.

I'm from a family of six, and one of my favorite things about Saint Francis is the strong Catholic community—it really feels like home. Fun fact: I'm a cheerleader here, and I love getting to support out teams and show off some school spirit!

Hello, my name is **Chloe Homison**, and I am a junior studying Health Services and Diagnostic Medical Sonography.

I grew up with a big family in Cincinnati, Ohio. I am a big DC Comics fan and once won a Batman trivia with a perfect score! My favorite thing about SF is the close-knit community!

Hi, my name is **Gretchen Eusterbrock**. I am a sophomore, and my major is Environmental Science!

I live in St. Louis, Missouri with my three siblings and three pets. A fun fact about me is that I have actually been in a movie before! My favorite thing about SF is the close community and opportunities to grow in my faith, my friendships, and my academics.

My name is **Hannah Szelis**. I am a junior in Diagnostic Medical Sonography.

My favorite thing about Saint Francis is fun activities run by the student government and the student activity council. A fun fact about me is that I am a triplet! My family is my mom and dad, one older brother, and a brother and sister the same age as me.

My name is **Jack Doughty**. I am a senior in Music Technology.

My favorite thing about Saint Francis would be the opportunities to become more involved in campus culture, from leadership teams to clubs and organizations to athletic programs. My family are from Australia, and I have an older brother and a younger sister. I am a DJ and I love going to the beach.

Hi! My name is **Laura Thornell**. I'm a junior majoring in Biology Pre-Physician Assistant Studies here at SF.

I grew up in a small Ohio town with my younger brother, parents, and two dogs. I love baking sourdough chocolate chip cookies in my free time. My favorite thing about Saint Francis is the positive, friendly community of people we have here!

My name is **Melissa Vazquez**, and my major is in Elementary Education. I am a sophomore.

My favorite thing about SF is the community and how social and kind people are. I also love that we can get closer to God even when we are at school. It is part of the experience at SF that I value so much. Something about my family is that there are nine of us and I have six siblings. A fun fact is that I like to make jewelry for fun.

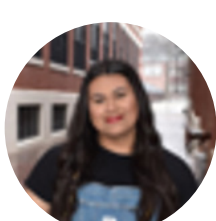

Hi! My name is **Miriam Macias**, a sophomore majoring in Diagnostic Medical Sonography.

My family's fun fact is that we're from Aguascalientes and are huge fans of the Chivas soccer team! My favorite things about Saint Francis is the diverse and community-driven environment—it really feels like a family. A fun fact about me is that I can live sketch!

My name is **Paul Scheifele**. I am a sophomore in Sports Management.

My favorite thing about Saint Francis is the people and the campus. I love to play soccer and chess. I am a middle child. I have a younger brother and an older brother.

My name is **Yadira Luna Diaz**. I am a sophomore majoring in Elementary Education.

One of my favorite things about SF is the strong sense of community and the meaningful friendships I have built on campus that make Saint Francis feel like home. Originally from a close-knit family of six, I have two brothers and one sister, and we enjoy spending quality time together during the summer. A fun fact about me is that I became a licensed cosmetologist at just 17 years old.
